

We have the Solutions to your Aging-In-Place needs!

*According to the AARP Housing Survey,
"83% of older Americans want to stay in their current homes
for the rest of their lives," but other studies show
that most homes are not designed to accommodate
the needs of people over age 65.*

Your Options—as you age...

Showing you ways to stay independent & safe in your home as you age...

Most modifications to your home can be made for less than the cost of 2 months stay in an assisted living facility.

Mississippi is the 9th most expensive state in the U.S. for Assisted Living
Assisted Living \$38,220/year \$ 3,185/month
Nursing Homes \$67,525/year \$5,627/month

Aging facts...

- Falls of seniors are the most common injury-related accidents to end up in the Hospital Emergency Room.
- 66% of all accidents in the home are due to falling
- 1 out of 3 Seniors (33%) over 65 years old will fall at least once this year
- Most Seniors, after a bad fall, never recover 100%
- The bath tub/shower area is the most dangerous area for falls in the home
- Unattended Cooking is the #1 Cause of Household Fires
- Cooking fires are also the leading cause of deaths, with our Senior population being the most at risk
- As we age we need 3 times the lighting we once did...

What others say about Ashford Homes...

"The work was performed in a timely and professional manner, to my complete satisfaction." M. Killebrew

"I'm a repeat customer of Ashford Homes, Inc. because I've been so pleased with the work James Cruise and his crews have done. They've remodeled many areas of my home both inside and out. James prices are reasonable and the workmanship excellent. He is particularly good at working with me to help my ideas into practical and good looking reality. I highly recommend Ashford Homes for both big and small projects." V. Green

"James Cruise and all of his workers did a great job of redoing our bathroom. The work was done in a timely way and cleanup was much appreciated. We were very pleased with the end result." T. Grantham
