# PROUD DIFFERENCES

“ Building Quality you can’t get from anyone else... ”

*We’re different from the other builders, and we’re Proud of It! We do what we say. We don’t over promise and under deliver, as most of the competition does. We offer features and services that are not offered by the competition. Features and services that are above the norm. We call these our “Proud Differences”. What others call extras, we include as standard features and services in the projects we build.*

*Our work will make you smile! We guarantee it...*

**Craftsmanship** *Ashford Homes uses people who care about every phase of the construction in your new home: about the way doors open & close, about windows that slide easily and quietly, about properly installed cabinets and built-ins, about walls and ceilings that are straight and level. People trained in the Ashford Homes tradition of excellence.*

**Do it Right!** *One of the hardest parts of getting any job done—whether it is getting your car fixed or your clothes cleaned—is finding someone you can trust to do it. And do it right! That’s what we owe you, that dependability. You come to us to get the best job possible. And every person at Ashford Homes knows it’s their responsibility to deliver it. Everyday!*

“They did a great job; from re-roofing my home, to replacing rotten wood, to repairing the damaged sheetrock ceiling in my living room. It was all done on time and at an affordable price.” B.A. Bridges
